

WRITE “DEAR LEGISLATOR” POSTCARDS

Urge your legislators to end Colorado’s broken death penalty.

By writing a personalized message to your representative, you are holding them accountable to their constituents, demonstrating community support for repeal and joining our organized campaign to put an end to the death penalty.

These postcards will bolster legislators who are repeal champions by letting them know that they have support, embolden those who may be nervous to speak up and sway those who are undecided. Twenty-four states no longer execute their own people. With your help, Colorado will be next.

Thank you for taking action to defend civil liberties in Colorado!

Contact Helen Griffiths at hgriffiths@aclu-co.org for postcards. You can either pick them up at the ACLU of Colorado offices or have them mailed to you.

Example postcard:

Dear legislator,

My name is Helen and I support ending the death penalty because it is wrong for the government to kill people. Colorado’s death penalty is expensive, unfair and risks executing innocent people.

Please end the death penalty in 2020!

Helen
